HALAL ENQUIRIES

VALID UNTIL 21 APRIL 2019

Some of the flavours that we use contain alcohol, which is used as a carrier for the flavour compounds. Products which do **not** contain alcohol based flavours are listed as being “Halal suitable”. Emulsifiers (407, 410, 412, 460 and 471) are from vegetable origins.

The Australian Halal Authorities have confirmed that Colour 120/Carmine/Cochineal is Halal suitable. There are 2 groups in Australia. One accepts this ruling while the other does not.
