# Easy ways to buy HOME ICE CREAM

---

- 1** Check out what time we deliver by searching your address online! Then you can wait for the van to ring the bell and enjoy buying from your local Franchisee!
- 2** Order online so you can have delivery right to your door OR you can use our **Cool Cube** for delivery if you aren't home. Our cool cubes keep your ice cream frozen for up to 8 hours.
- 3** Track your nearest van! Log into our system and create an account to view the vans nearest to you! Then you can find your nearest driver or contact your local driver to catch up with them. The kids will love the chase as the tracker shows you how close you are until you meet your driver!
